GOVERNMENT OF MYSORE

Office Note.

Letter No.1520 dated 9th December 1899 from the Senior Surgeon & Sanitary Commr.

Colonel Benson, Senior Surgeon, applies for 8 months' furlough from the end of March or the beginning of April 1900. He has submitted a certificate from the Controller of Military Accounts showing that he is entitled to the leave applied for.

2. The application has to be forwarded to the Madras Military Authorities through the Residency in accordance with Art. 846 of the British Civil Service Regulations. Papers relating to furlough taken by Col.Benson on two former occasions are put up.

3. Colonel Benson makes the request that he may be granted the Plague leave to which he is entitled. Perhaps he means the Plague concession which allows full pay for the first 4 months of the furlough. It may perhaps be assumed that he is entitled to the Plague concession considering the position he holds in connection with the Plague Department. A "local allowance" of Rs.150 per mensem was sanctioned for Colonel Benson from December last. The papers on the subject are in the D.C.O.

4. As Col. Benson is a British Officer on whose account contribution is paid for leave allowances and pension, the British Govt. will pay his furlough allowance, but the difference

(80)

between that allowance and the full pay under the Plague concession will probably have to be paid by the Durbar for a period of 4 months.

5. As the present leave application has to be sent to the Residency for transmission to the Military Authorities, I venture to think that he may be requested demi-officially to submit another application omitting therefrom his recommendations regarding the appointment of his successor &c., and stating clearly what he wants in connection with the Plague concession.

Submit to Secty

13/12/99

The allowance mentioned was not for Plague work which was only mentioned as an additional reason. The concession asked for is therefore inadmissible.

This letter is addressed by Col: Benson to the P.A. Resident, and as such has to be sent to the Residency in original.

But the point referred to in the letter is before us; the last comm^n (a D^t from Residency, I think)

was duly to Secty before he went to Mysore, and the file is in the D.C.O.

Under these circumstances should this letter be sent on to the Residency at this stage?

pr Benson tells me that the question of giving him an honorarium is under the consideration of the Govt & that a decision in the question raised in this may be received shortly. Q.

Dear Sir Sheshadri Iyer.

With reference to our several Conversations from time to time on the subject of my taking furlo. which owing to the Exigencies of the Service you were reluctantly constrained to refuse me, I have once more the honor to request that you will, if possible, kindly see your way how to grant me the leave asked for; as I feel that the Inquiry now entrusted to me by the prevalence of Plague throughout the Province for the last 18 mos. I should like to get on Duty furlo, for the end of March next, & so avail myself of the Plague leave to which I am entitled - My absence on furlo, will necessitate another officer being brought back for Major Thuy M.D. as Bombay Surgeon, who is unacquainted with official as Senior Surgeon of S.C. during my absence.

(33)

I would therefore propose that the Darbar should apply for the services of Capt Carbhile I.M.S. at present Garrison Surgeon of Bangalore; he has on a previous occasion been in temporary Medical Charge of His Highness the Maharaja, & both myself & Major Smythe have a high opinion of his professional abilities, whilst his social qualifications are such as to make him a very desirable Medical Officer for His Highness= Should these views meet with His Highness the Maharaja's approval I will address you officially on the subject. In the meantime if you will kindly accord your sanction to it I will forward a formal application.

Yours faithfully.

P.S. I should like to be a position to make my arrangements as soon as possible.

Believe me yours. very truly.

Note] I have been unable to permit Dr. Benson to go on leave earlier, owing to the exigencies of the Public Service, with Plague all round. I trust that by March the situation will so improve as to permit of his then going Home. & the Plague leave Concessions will, under the above circs, be then granted to him.

As regards a locum med. officer in his place, I shall write hereafter after Consulting H.H. & Col Robertson

Dear Sir Sheshadri Iyer.

In continuation of my D.O. on the question of my going on Furlo Snowinite a few lines on the subject of pay to be granted to Capt Carwhite I.M.S. Should the Durbar decide to apply for his services — At present my pay is Rs. 1850 per mensem. Major Smyth is .. 1850 making a total of Rs. 3000. per mensem. During my absence Major Smyth would draw half the difference between my pay & his viz Rs 350. or a total of Rs 1300 per mensem — Capt Carwhite pay at present is Rs 650 & he assumes that he makes not less than Rs 500 per mensem. Lieutenant of Lieut Colonel

Under the circumstances I am
of opinion that the Barbar
Knight grant Capt Carbhill
the pay of the next grade which
would be Rs. 850 pay Rs 100
to compensate him for the loss
of private practice (which he
would most certainly lose)
This would bring his pay up
to Rs 950, in addition he would
draw stores but whilst Bangalore
or Secunderabad at Rs 100 per mensem
for Exchange Compensation allowance -
Leaving out the question of
Exchange Compensation which
I have not included in calculating
the cost, Major Smyth's pay if
would work out as follows.

Pay of Major Smyth as Offg. Rs
Senior Surgeon ——— 1500
Pay of Capt Conr White — 950
